

Road to Leadership training program for student council of Std. V to VIII

Road to Leadership is a training programme that was organized for the student council members on 6th August 2016 to nurture and develop young leaders.

The main objectives of the programme were

- To develop an understanding of the evolving concepts of leadership in today's world
- To nurture leadership qualities and skills like communication, cooperation, conflict-resolution and problem-solving
- To integrate humility and service into leadership roles
- To be inspired by other young and dynamic social and environmental leaders
- To gain clarity on the role of leaders in schools as agents of change

The workshop was a series of sessions which was interactive and included the following :

- Individual and group exercises and activities
- Games
- Videos and short films
- Interactions within peer group
- Action-oriented learning
