Book Donation Drive

Bloom Public School has collaborated with KATHA to organise a Book Donation Drive from 07/02/2018 to 15/02/2018.

When you donate used books you give the opportunity to children to read for fun and meaning and the joy of reading to many.

You can donate as many story books as you want. The books preferably should be for age groups 5-16 and in Hindi or English and should be in good condition.

The books need to be deposited with Class teachers who will keep a record of the donor student(s) name with number of book(s) being donated.

Active participants and donors will be awarded with certificates by KATHA.

Katha will help your used books reach out to the children who need them.
