ACTIVITIES FOR SUMMER BREAK (2018-19)

PREP 1

Dear Children,

The long awaited Summer vacation is here. It means playing for longer hours with friends, going for picnics, travelling, exploring new places and watching fun filled shows on television. However, there is a lot more you can do to make your vacations more interesting, meaningful and full of fun.

Dear parent

- Encourage your child to cultivate the reading habit because it not only enhances the knowledge acquired but also develops the vocabulary, language skills, listening skills and improves spellings.

Suggested storybook series:

- Pepper
- Bruno
- Bubbles
- Noddy
- Panchatantra
- Encourage your child to go out and play and make friends. This will develop their personality and keep them healthy.
- Converse with your child in English and make them listen to English programmes to help them get comfortable with the language.
- Encourage your child to play board games e.g. Chess, Ludo, Carrom etc.
