

BLOOM PUBLIC SCHOOL
ACTIVITIES FOR SUMMER BREAK (2018-19)
PREP 2

Dear Parent,

Holidays are the time to indulge in hobbies, meet old friends and extended family members. Summer time, is the quality period that you can utilize to bond with your child. Enjoy this precious time with your ward. By doing the various activities your child will have an overall personality development.

- Take your child for morning and evening walks. Teach them the importance of keeping one's surroundings clean.
- Encourage the children to participate in activities like laying the table, watering plants, feeding birds, arranging books and toys, learning to wear shoes and socks etc
- Involve them in the kitchen. Let your child help you to roll chapattis, shell out peas etc.
- Play games with your child like Ludo, Carrom, Building Blocks etc.
- Help your child read story books to enhance language and vocabulary development. Make bed time reading a ritual with your child. Use age appropriate books with pictures and large text. Ask simple questions related to the story.

Suggested reading

Ladybird level (level 1)

I can read series (level 1)

- **Marble painting**

Get some poster paint in at least 6-7 shades; a small pack of marbles; a shoe box; thick sheets of poster paper cut to fit at the bottom of the box. Coat the marbles in different colours and drop them in the box. Now close the lid and shake the box a few times. Open it and voila, the painting is ready!

Make it into a card for father's day.
