Strengthening our bond with nature through the age-old tradition of tree-planting. By planting a sapling in this sacred thread "moza" you will form an important bond between the trees and our children.

This is an initiative of concerned citizens, who are collectively working to make the earth greener again.

Good morning Olga,
An update - tomorrow is the dance competition in our school. 18th is the skype session at 11.30 am (IST). Have your students attempted the worksheet? If yes, please send me some evidences. Tatiana had sent some email ids, we have given to some more students. Waiting for the response. I'm going for a trip with the students. Will be back on 18th night, Won't be.

Namaskara all the group, Read the letter, discussed with teachers. I think the date for Skype session is OK for us. Since Sunday we are on a short term holidays, 4 days. Hope everything is fine with you and families.
